Lindsey Whang Baker

Principal at LWB Design, LLC

lindsey.baker@lwbdesign.com

"Lindsey worked with LSG as both an employe and consultant, and we collaborated on a number of complex and high profile projects. She is creative, thorough and able to work through difficult design and construction problems and come up with effective solutions. I would definitely work with her again given the opportunity."

Top qualities: Great Results, Personable, High Integrity

Mark Gionet, Principal at Lewis Scully Gionet, Inc.

"I've worked with Lindsay Whang Baker on one of my projects in Virginia. She has a very good design sense and always presented buildable and creative solutions to site constraints. I would definitely recommend her to any developer looking for a Landscape Architect, and will not think twice about hiring her on future projects."

Top qualities: Great Results, Expert, Creative

Frederick Liwanag, Associate Director at Xhabition, LLC

"I have enjoyed working with Lindsey. She produces an excellent product and has a good understanding of client needs. I trust to provide me with honest answers and do so in a timely and responsive manner. I would recommend her services to anyone looking for landscape architecture services."

Top qualities: Personable, Expert, Good Value

Troy Balkema, Project Director at Quadrangle Development Corporation

"It has been a pleasure working with Lindsey as a team member on land development projects in the Northern Virginia area. She has always been very responsive and thorough during our design coordination efforts."

Steve Platt, Director of Engineering at Huntley, Nyce, & Associates, Ltd.

"Lindsey was a valued member of our development team. She always had great ideas and did everything possible to meet our deadlines, which are often unfortunatley unrealistic. I look forward to working with her in the future."

Top qualities: Great Results, Personable, High Integrity
